About Me

Welcome to my personal space! I am a computer science enthusiast currently studying at IIIT Hyderabad. Passionate about technology, I strive to explore new horizons and contribute to the world of innovation.

PROFILE

Hi there! I'm Ayush Sheta, a computer science student at IIIT Hyderabad. I love coding, problem-solving, and diving into the latest technologies.
Outside the realm of technology, I am a creative thinker and enjoy exploring diverse interests. Whether it's experimenting with new coding languages, participating in hackathons, or delving into the world of cybersecurity, I am always eager to expand my skill set.
